

Because eating is such fun, now! plays really big table tennis – in your dining room. Or in your built-in living room kitchen. With expansive tabletops and inviting free-swinging chairs. With wood, glass and lacquer, regenerated leather and chrome, really cosy or very smart. Harmony or contrast? It's your choice because tables and chairs can be combined in form and colour in many different ways. now! dining has the right place for artistic mealtimes with the children and delicious meals with your friends. For just putting your feet under the table, never wanting to get up again or simply for whiling away the time. So take a seat. now!
